ABOUT UPCLEAR

UpClear is a SaaS company with a global customer base that is changing how Consumer Packaged Goods (CPG) companies manage their Trade Promotions. UpClear's BluePlanner software is a best-in-class platform for Revenue Management, covering Sales Planning, Trade Promotion Management (TPM), Analytics, and Optimization (TPO). UpClear serves clients in 20 countries across America, Europe, and Asia-Pacific from its primary offices in New York, London, Paris, and Hong Kong, and branch in Sydney. BluePlanner has been recognized by the Consumer Goods Technology publication as one of the leading solutions for Trade Promotion Management. UpClear is growing fast and has been recognized for the fifth year in a row as one of the 5000 fastest growing private companies by Inc.

WHY UPCLEAR?

- Get on the ground floor of a startup-like company that already has a global reach
- A passion for new technologies and designing state of the art solutions
